 - 1-2 day shipping time to most of the continental U.S.
 - Samples for testing and evaluation prior to conversion at no additional charge (\$100+ value)
 - Product Specialist available free of charge for on-site conversion support, clinical training, troubleshooting and support
 - On-site training or virtual training included at no charge (\$75/hr value)
 - All in-stock products – Orders received before 2pm CST shipped same day

Product Line Highlights:

- **Disposable Tourniquets** – Single-use non-latex tourniquets, available in multiple texture options, used to apply venous pressure during a blood draw. Bright colors help to reduce risk of leave-on accidents! Available in Adult, Pediatric, Bariatric and Infant Sizes.
- **Specimen Transport Bags** – Most popular specimen transport bags available with zip-top because every patient specimen requires specific attention and care. Our transport bags clearly mark vital information.
- **Specimen Collection Cups** – 95kPa rated cups with volume marks and click-top screw caps for transporting samples. Available with temperature strips.
- **Free samples** for evaluation available upon request.
